GENERAL INFORMATION

VARIETIES NOT LISTED. We have a great many short lots of stock in all classes, so that we suggest, in sending your order, you add any other varieties desired in limited quantities. We will promptly advise if we can supply the additional sorts and state prices.

SHIPMENTS. We prefer to have customers state by what method goods are to be shipped. In the absence of such instructions, we will use our own judgment, but our responsibility ceases when shipments are delivered to the freight or express companies for forwarding.

GUARANTEE. We do not guarantee stock to live and no allowance will be made if stock dies after planting. We do guarantee that your order will be handled and packed by experienced men, that it is in good condition when it leaves our nurseries, and that the stock is true to name. In no case are we responsible for more than the original cost.

PRICES AND TERMS. We will supply 5 at 10 rate, 25 at 100 rate, respectively. Items are cash with order to those unknown to us.
